Journey Doomed...out of time

Sydney Sikh Youth Leadership Camp 2006

The road to success is not straight.
There is a curve called Failure, a loop
called Confusion, speed bumps
called Friends, red lights called
Enemies, caution lights called Family.
You will have flats called Jobs.

But, if you have a fuel called
Determination, an engine called
Perseverance, insurance called Faith,
a guide called Guru and a driver
called YOU,
destination will be Success.
