Halloween in March? Halloween in Green?

Everything was Green Wednesday Night, March 18th at Rollermagic South Amboy Arena. We're not open Tuesday Night, so we hosted "Wearing of the Green" on the 18th, during our regular "Dollar Sk8" 6:30 – 9:00 pm. Admission was only \$1.00 for all ages, as usual. Only, this night all the children dressed in Green... and boy were they Green! They all received Shiny Beaded necklaces as they entered. Even, the vanilla ice cream was green, and light green & dark green and white helium balloons accented the Irish decorations. We started off the evening with some of our top one hundred songs that the kids love. But then around 8:00 pm Col. David B. Kelly Pipes & Drum Corp. arrived; dressed in their kilts with their instruments and American Flag. They marched & played thru the lobby, up the aisle, and out into the main skating surface. They did a second song in the middle of the floor, and then marched off the floor, again thru the aisle Bag Piping & drumming "God Bless America". 350 people were in awe. A lot of children never witnessed Bag Pipers & Drums before.

It was time to get all the children in Green out on the floor to judge the "Greenest Person" of the night. Free Admission for the entire month of April, to all public skating sessions, including Spring Break, was to be awarded to the winner. It was hard to choose. All the kids worked so hard on their "Greenness", that we choose 4 Winners!!! Our winners were Victoria Devish from Parlin, Patrisha Gergits from So. Amboy, Jen Kilgore, and Danielle Tramontana from So. Amboy. Photos by: Joe Andaluz.

P.S. Don't miss our upcoming "Kids Party Day" on Sunday March 29th from 1:00 – 4:30 pm during our regular Sunday Matinee. Admission \$5.00 for children, \$7.00 for Adults and \$13.00 Birthday Party (Parties get full 3^{1/2} session rather than

Between shows there will be a walk around Magician (including a Bunny Rabbit), along with Balloon Sculpting Animals. Rollermagic will host our regular Fun, games and prizes along with \$3.00 Face Painting. If you have young children, you should not miss this event.
