

Did you this gig made international news? Check out this out from the **Madness Information Service. Online Issue 202**

So Lee has been rocking it up down under with the local ska bands. I was also able to find out elsewhere that **Lee Thompson** guest presented the show **SKA TREK** on the station on Thursday February the 13th 2003. Which in turn lead to further info about the aforementioned gig from one of the shows main men.

"Last Sunday (26th of Jan 2003), we held a SKA-B-Q at The Jubilee Hotel as a fund raiser for **4ZZZ**. We had over 300 people through the door to hear 4 bands and 5 DJ's play some great Ska music, including Mr. **Lee Thompson** from **MADNESS**, who is on holidays in Australia until March. We hope to get him in on the show before too long to have a chat and play some tunes, stay tuned. The highlight of the evening was without doubt, Lee singing " A Message To You, Rudi" with the **Brisbane City All Skas**." - **Alan Roberts**
