The College

Sri Krishna College of Engineering and Technology was established in the Golden Jubilee year of Indian Independence - 1998. Tucked away from the hustling and bustling crowd, the campus sprawling over 50 acres in Sugunapuram, part of Kuniamuthur, Institution provides ambience of tranquility, excellent for learning. The College is located in a serene atmosphere and at an elevated state on the left of NH 47 leading to Palghat from Coimbatore. The distance of the college from Railway station is approximately 8 km and from the Gandhipuram Bus Stand is 11 km.

The Library

The Library, which is a hallmark of our Institution, is housed in a 55000sq.ft, fully air conditioned building with more than 33,500 books. It subscribes to 743 reputed National and International Periodicals. It has a good collection of CDs and Floppies on various fields. Our major aim is to serve the needs of the faculty members, research scholars and students. It subscribes to various online journals and magazines to facilitate in acquiring advanced knowledge in the fields of Engineering and Management.

MAIN THEME:

WORKSHOP ON LIBRARY WEBSITE DESIGN

About the Workshop

Libraries undergo many changes due to development of ICT. Internet, web resources, digital libraries, ICT tools and techniques, etc have made a significant change in the existing library system services. Librarians need to play a variety of roles to meet the demands, requirements and expectations of the users and institutions. Library professionals need to learn and update their skills to perform various tasks and roles which are required in the digital era. Workshop is intended to discuss various web tools and to provide knowledge for designing library webpage.

CONTENT OF THE PROGRAMME:

- Web page design, web site, home page
- Basics of HTML, Designing Web Page using HTML
- Designing Library Web Page using Front Page
- Web Design tools
- Configuration, Web based services on the Campus Intranet
- Maintenance of Web sites and Evaluation

Workshop will be handled by eminent personalities in the field of Information Technology.
