

JANUARY 2010 SKI WEEK with SNOWCHASERS and BAC FRIENDS

Ski with friends from the Snowchasers and other BAC clubs at any or all of the resorts listed below. Choose to ski one day or the entire week. Pick out the resorts and dates you want to ski and register with Harry Davis. Lodging details for both areas will be published in November. Each participant will purchase their own lift tickets, make their own hotel reservations, and arrange their own transportation or car pool with other participants. We will all meet about 8:00 a.m. each morning in the main lodge of the ski area. Further details will be advertised. To be sure you hear updates, register with Harry Davis at 925-686-3774 or harrykaren@comcast.net
