

GROUNDWORK COFFEE HOUSE

(913) 651-7011
509 Cherokee
Leavenworth, Ks 66048

Dear fellow business manager,

My name is Andrew Crawford, owner of GroundWork Coffee House at 509 Cherokee in Leavenworth Kansas. In our ongoing endeavor to provide a safe and fun environment for entertainment, we have decided to support our fellow businesses as well as produce extra financing for ourselves through a sponsorship program.

GroundWork has become a favorite spot of many local kids as well as adults because of the wide variety of entertainment we offer. We provide pool tables, pinball and foosball; open mic band nights on Thursday's; local and regional bands on Friday's and Saturday's; open mic poetry nights on Sunday's and we also offer party rental of the coffee house.

On an average, we see 450 people coming through our doors each week. Most of our customers are local high school and college students and musicians. The support from our customers and our increasing popularity is ensuring GroundWork Coffee House will be a longstanding business in Leavenworth, Kansas.

With your sponsorship, your business will be exposed to our customers so they may patronize your establishment more frequently or for the first time. Our aim is to increase your business so that your sponsorship doesn't go to waste and to help your business become more successful and longstanding as well.

Attached is an offer of three sponsorship packages. Each package contains different levels of sponsorship to suit your needs. If you decide to Sponsor GroundWork Coffee House please contact me to set up a meeting. Thank you very much for your time.

Sincerely,
Andrew Crawford
