Dear whomever this may concern,

I am interested in working as a Performer or dancer for your studio. I am very proficient with all types of dance and music and I have taken many courses in which music, dance and acting is the main focus. I enclose my resume as a first step in exploring the possibilities of employment with you.

My most recent experience has been dancing in a hip hop class. I am also involved in many extra curricular activities, including three seasons of sports at Radnor High School.

As a performer with your studio, I would bring new ideas and new skills to your company. Furthermore, I work well with others, and I am an experienced leader.

I would appreciate your keeping this inquiry confidential. I will call you in a few days to arrange an interview at a convenient time for you. Thank you for your consideration.

Sincerely,

Katie C Fitton
