Dear Ms. Fuller:

I am interested in working as a network specialist in your organizations. I am a very competitive, aggressive, creative, and well-organized individual. I have enclosed my resume as the first step in exploring the possibilities of employment with LinkNet.

As a network specialist for your organization, I will help lead it to the future, guiding it through the toughest competition.

My long-range view is to integrate the Internet with all aspects of business. I intend to make any piece of information available to anyone at anytime. This integration will include all of today's technology and a foundation for tomorrows. With the Internet, e-mail, and multimedia capabilities, your client will find computers to be a vital asset to all employees.

Thank you in advance for considering my application. I would appreciate being kept informed of any available positions in your company. I will call you in a few days to arrange a possible interview.

I am competitive;

I am well organized.

Sincerely,
