EMPLOYMENT HISTORY:

2004-Present: Clinical Psychologist at the HIV/AIDS Clinic for the Monroe County Health Department in Key West, Florida. Consultation for the clinic includes psychological and neuropsychological assessment as well as staff consultation and the provision of psychotherapy to the clinic's patients.

2004-Present: Private Practice in Key West, Florida. The complete spectrum of clinical work is involved including psychotherapy, family therapy, hypnotherapy, psychological assessment, neuropsychological evaluation, and forensic consultation.

2001 – 2004: Member, Pennsylvania Board of Psychology. Appointed by Governor Tom Ridge in March of 2001.

1994 - 2001: Consulting expert on child custody issues to the Pennsylvania Bureau of Professional and Occupational Affairs.

1980 - Present: Child, Adult, & Family Psychological Center. Function in the group practice of clinical psychology in State College, Pennsylvania. The complete spectrum of clinical work is involved including psychotherapy, family therapy, hypnotherapy, psychological assessment, and neuropsychological evaluation. Director of Operations from 1993 to 1996.

1984 - 1999: Executive Director of Psychological Forensics, P.C., consultants to trial attorneys.

1981 - 1985: As President and Chief Executive Officer of Centre Valley Management, Inc., directed the development and construction of The Meadows Psychiatric Center, a 92-bed private psychiatric hospital in Centre County, Pennsylvania, through 1984. From 1984 - 1985 functioned as Clinical Director of the new hospital during its first year of operation.

1983 - 1984: Interim Director of Psychological Services at Nittany Valley Rehab Hospital for Special Services in Pleasant Gap, Pennsylvania. Provided direct psychological services to patients and supervised a staff of three consulting psychologists during the hospital's first six months of operation.

1981 - 1982: Altoona Hospital Community Mental Health Center, Altoona, Pennsylvania. Consultation duties involved comprehensive psychological responsibilities with inpatient and outpatient populations.

1979 - 1980: Norristown State Hospital, Norristown, Pennsylvania. This internship position involved the full range of psychological services including therapy, assessment, and administration. Adult, adolescent, and substance abusing populations were served. Major work was in the Pennsylvania State Regional Forensic Evaluation Center conducting court-related psychological and neuropsychological evaluations as part of the forensic evaluation team.

1977 - 1979: Methodist Home Children's Guidance Center and the Heart of Texas Mental Health/Mental Retardation Center in Waco, Texas. Duties included family, marital, child and group therapy work. Psychological assessment, intake evaluation, and community consultation were involved, as was supervision of testing technicians. Also worked in a team of consultants to Child Protective Services providing direct service to abusing families and consultation with agency personnel.

1976 - 1977: Functioned in a team of consultants to the school system of a community of 25,000 near Waco, Texas. System consultation and direct psychological services to the schools were provided.

1971 - 1976: Teacher for the Cedar Rapids Community Schools in Cedar Rapids, Iowa. Teaching duties included instruction in language arts, philosophy, substance abuse education in family life, speech, and dramatics. For two years participated in a team conducting research for the federal government on the nature of the junior high school student.

1969 - 1970: Taught in a ghetto school in Dayton, Ohio.

1960 - 1969: During two summers, work included employment as a counselor at a wilderness camp in Ontario, Canada, operated from an Adlerian perspective. Other work experiences include functioning as a professional actor and theatrical public relations representative, salesman, construction worker, pet store manager, soda jerk, and pizza chef. Community volunteer work included one summer working with the profoundly retarded in Cedar Rapids, Iowa, and another summer working as a counselor in a birth control clinic in Hempstead, New York.
