

OBJECTIVE

I seek a design position to creatively serve the company's needs for quality designs that effectively communicate the goals of each product while being consistent with the identity of the company.

EXPERIENCE

11/06 - 11/07

G. T. Luscombe Company, Inc. - Frankfort, IL

Graphic Designer

Developed the in-house graphic design structure for the company while building up the company's brand, creating package designs, imprints and engravings for novelty products, advertisements, brochures, sales sheets, and beginning work on a website design using the Adobe Creative Suite 2.3 and Studio 8 on both Mac and PC platforms.

08/06 - 11/06

The Sign Stop - Oak Lawn, IL

Graphic Designer

Created and produced vinyl signs, billboards, banners, business cards, menus, letterheads, and vinyl lettering for businesses across the United States using the Adobe Creative Suite on a Mac platform.

02/06 - 05/06

Parkview Christian Church - Orland Park, IL

Graphic Design Intern

Acquired freelance experience while designing windows, brochures, signs, and additional creative elements for the Children's Ministry.
