

Top 5 Most Expensive Sneakers Ever

5. Air Jordan 4 "Eminem x Carhartt"- \$30,000

This is the Air Jordan 4 "Eminem x Carhartt" collaboration, these sneakers were really rare and there was only a few sold and a few gifted. These sneakers were really nice to a lot of people and the resale value went super high, and that's how it got on this list.

4. Air Jordan 2 "OG"- \$31,000

These sneakers weren't a collaboration or worn, they just made this colorway for this shoe and it was a nice shoe and people bought it, and some resold it and it got really expensive and now it's one of the most expensive sneakers ever.

3. Air Jordan 4 "Eminem"- \$37,000

These Air Jordan 4's are another collaboration with Eminem the rapper and Air Jordan were the biggest at this time so it was like the biggest thing possible at that time. These sneakers were super rare because there wasn't that many sold and it was impossible for resellers to get their hands on these.

2. Air Jordan 12 "OVO" - \$100,000

The Air Jordan was a collaboration with Drake the rapper, and it was big because it was one big rapper and one big brand. Also, there wasn't that much sold; and the sneaker resellers made thousands off these, it was basically a dream for sneaker resellers.

1. Game Worn by Michael Jordan, Air Jordan 12 "Flu Game"- \$104,000

These sneakers are the most expensive sneakers because when Michael Jordan was playing basketball he was considered the best player ever and his shoes are expensive. But in these sneakers he hit the biggest shot of his life, when he hit a buzzer beater in the Finals against the Utah Jazz. That was the most iconic moment for him and those shoes were very important and later was sold for \$104,000. Also, whoever has there hands on this can make lots of money, and I wish it was me.
