

Soaps

All of the soaps are glycerin-based, meet vegetarian guidelines, and come in 4.5 oz bars.

Soapmaker's Tip: As with all glycerin soaps, these soaps will become mushy if they are left in a pool of water. Our slotted wood soap dish, \$4.00, keeps soaps high and dry, making them last for weeks.

Bars of soap are \$5 each or 5 for \$20.

New! **Almond** Almond-colored soap enriched with goat's milk and honey with a toothsome sweet almond fragrance.

Blackberry Sage Honey Cream-style honey soap with the soothing fragrances of blackberry and sage. Enriched with real goat's milk. Very mild.

Blackberry Jam Swirls of purple and fuchsia pink soap enriched with silk and shea butter. Scented with the full-bodied fragrance of crushed, ripe blackberries.

New! **Blueberry Breeze** Blue soap balls suspended in a lightly tinted gold base. Fragrance evokes the airy perfume of an afternoon spent picking blueberries in the sun.

♥ **Chocolate Mocha** Rich layers of chocolate- and fudge-colored soap specked with ground coffee beans. Enriched with goat's milk, silk, shea butter, and cocoa. Wonderful exfoliator.

New! **Honeysuckle Sunshine** This clear, amber-colored bar showcases beautiful calendula petals, widely renowned for their healing properties. Sealed with a kiss of honeysuckle fragrance.

Luscious Lemon Layers of pale lemon yellow and white. Enriched with silk, shea butter, and the irresistible fragrance of freshly squeezed lemon juice. Very mild.

Maple Sugar Soap the color of brown sugar and in the shape of a maple leaf. Enriched with silk, shea butter, honey, and exfoliating sugar. Perfectly mimic Maple Country's brown sugar cakes.

Oatmeal, Milk, and Honey Oatmeal colored soap speckled with ground oats. Enriched with goat's milk, honey, and the fragrance of sweet almond.

New! **Orange Sherbet** Sunny orange soap swirled sherbet-style with orange-colored tangerine soap. Enriched with silk, shea butter, and sweet orange and tangerine essential oils.

New! ♥ **Pink Grapefruit** Creamy grapefruit pink soap enriched with beeswax, sunflower seed oil, and pink grapefruit essential oil. Pink grapefruit essential oil is a natural astringent, making this an ideal face cleanser for teenagers and others with more oily skin. **Due to the addition of sunflower oil, this soap does not last nearly as long as other Sugardance soaps.

New! ♥ **Jasmine Rain** Soap as white as star jasmine with the exhilarating fragrance of jasmine petals after a rain. Enriched with silk and shea butter.

Refresh Mint Creamy soap the color of mint ice cream blended with silk and shea butter. Invigorating spearmint bouquet.

♥ **Rose Spray** Rich, rose-colored soap swirled with creamy white. Blended with crushed rose buds and goat's milk.

♥ **Sandalwood** Indulge the man in your life with this woody amber-colored soap. Moisturizes and soothes with silk, shea butter, and honey.

Soothing Lavender Relax with this silvery lavender soap enriched with goat's milk, lavender essential oil, sweet orange essential oil, and the revitalizing fragrance of vanilla.

Sweet Honey Clear amber-colored soap naturally scented with real honey. No fragrance or colors added. Mild enough for even the most sensitive of skin types.

Sweet Orange Honey Cream-style honey soap with sweet orange essential oil. Very mild.

New! **Tea Tree Lavender** Honey-colored bar with lavender and tea tree essential oils, honey, and kaolin clay. For normal to oily skin.
