“Mohammed” or Muhammed – the real guy) – someone who does not have an original name between “Elijah” and “Muhammad”. Louis Walcott returned to his senses (so to speak – by the power of God, I should emphasize) on or about November 4<sup>th</sup> 2005 – primarily then; but later, as continues to be.

In an addendum to God’s word, on March 16<sup>th</sup> I heard and wrote:

The day of the arrest (some say of “the Edifier”) was May 12<sup>th</sup> 1970, the day after Sharon Bianca and Tate/Polanski were killed by followers of U.S. Government supremacy under Nixon’s lead, not by Charles Manson or Manson’s people to any extent. Hmm.

I am Pipe. I have started a mailing group (a “list serv”) called “Supplicants For Allah”. As best I understand things, Allah has five basic components — loving (Aphrodite), weaving (Diana), destroying what is evil (Shiva), blazing (Apollo) and enlightening (Zeus). In addition, many people worship whole pan-theons of “gods”, such as Thor, Freya, Wotan, Brahma, Vishnu, Krishna, Rama, Somnus and so forth. In Arabic, the word for Almighty, Merciful God is Allah. I believe in Allah. Therefore, belonging to this list serv is conditional upon agreeing that you are supplicant under all-transcendent God. Membership is open to anyone, regardless of philosophy, denomination, or world view. That is, the Hebraic cabalist is equally welcome as the Gnostic Christian, the traditional Muslim, the atavistic Hindu, and the libertine pagan! The material scientist is equally welcome as the recovery-driven spiritualist and the Cartesian dualist. Etc.! Also, every individual is welcome, regardless of that person’s range of skin tones – that is to say, sugar-cookery persons, chocolaty persons, apricoty persons, caramelly persons, and maple-syrupy persons, besides all other *homo sapiens* colors! While I normally write in American English, the members of this group may also post messages in Ebonics. Graphical art is welcome input on this [list serv](#), in addition. I ask the members to please limit posts on to ones that are thoughtful, and compassionate and do not intentionally fragment our species (*homo sapiens*) between “this gender” and “that gender”, “this sexual orientation” and “that sexual orientation”, or “this (or these) bloodlines” and “that (or those) bloodline(s)”. I realize that many of us come from hateful backgrounds, so I am willing to have some tolerance for occasional mistakes. Arguments relying on hate for the reader to agree with you are forbidden.

Thank you for reading this edition of The Supplicants For Allah Review. For a synopsis of what really happened with Manson, if you can, go and read [http://www.geocities.com/helter\\_skelter\\_investigated](http://www.geocities.com/helter_skelter_investigated).

Peace,  
Pipe! 

March 15<sup>th</sup> 2007 the synoptic voice of God came saying to me:

THAT day in 70 when Louis “Farrakhan” Walcott was arrested, he went down defending “the edifice” (as they called it then, and call it now). He took out four S.W.A.T. (Special Weapons And Tactics) Team (a new type of officers), with his 9 millimeter Berretta before they shot him and made the arrest that day. Innocent people were inside the building – the edifice – women and children and one Imam – all peaceful people of Islam; not all Islamics, not all militants, and not all Nation of Islam members.

Louis held stable, his firearm ready to protect, until the law enforcement (“pigs”, I call them, as does God) stormed the door, came inside, and started shooting people room to room – a sort of “seek-and-destroy” as today’s L.A.P.D. call the method. He also took out one regular office before they shot him and brought in more S.W.A.T. Team officers, a police wagon, and a county detective not on the payroll of L.A. Central Police Department, but of Nixon the President – “Milhous” they call him, as on [The Simpsons](#) today – not a “Willis” somebody as on [Different Strokes](#).

He lost his mind in jail under pressure, leading to the name change, which he did at the “stern request and admonition” of Elijah Muhammad (whom they call “the profiteer”, not a
