

Partners & Independent Contractors Wanted:

The Talking English / Chinese CourseBook also offers you potential to make money!

When you buy a copy of the book / CDs or cassettes at full price you can become a **FREE** 49/51 partner (Independent Contractor) with us – on all sets that “you” sell! This includes stores, bookstores, colleges, libraries, whatever!* We might even build you a website, FREE of programming charges. “Perhaps” donate the internet space to you? All you have to do is promote “your” site!

We especially have a soft heart towards women in need, the poor and the disabled.
