Company profile

Tour & Art is the only Rio de Janeiro agency specialized in historical and art tours. Our staff is formed by tour guides' teachers who also work with groups and individuals in the city, Brazil and around the world.

Private tours

In this site our clients can choose in between private and sightseeing tours. Private tours are operated by specialized guides in very comfortable cars. Those tours can be taylored by our costumers accordind to their needs and desire. Tkts and meals are not included in private tour rates.

Sightseeing tours

These tours are operated by other companies in touristic buses and they can not be modified by clients as the private ones. Customers should know that, in this kind of tour, the tour guides are not specialized either in art or history. Tkts and meals are included in some sightseeing tours, for more details, please check the rates list.

Tours and links pages

In the tours page our clients can find a suggestion about a visit in Rio, these tours can be modified if your option is a private tour. In the links page, costumers can learn a little bit more about the museuns that you can find in the tours page.

Groups

Tour & Art also operates groups in Rio de Janeiro not only in Brazil but also around the world. For more information about groups and their rates, please contact us.
