Pre-registration is required for all veterinary continuing education conferences. Courses are subject to cancellation when registration is inadequate to cover costs of the program. Registration at least three weeks before the meeting will help prevent course cancellation.

The registration fee includes seminar attendance, proceedings, refreshments and meals if provided for the registrant only. Please contact the Office of Continuing Education for guest meal ticket pricing.

Cancellations and Refunds

If cancellations are made on or before May 9, a refund of 80 percent of the registration fee will be given.
