Hannah and the Great Food Search

our
hero!

By Lee LaMarche

This is the Great Purple School.
Something inside is very wrong.

What is wrong?
This is Hannah.
What is wrong is that her
tummy is empty.

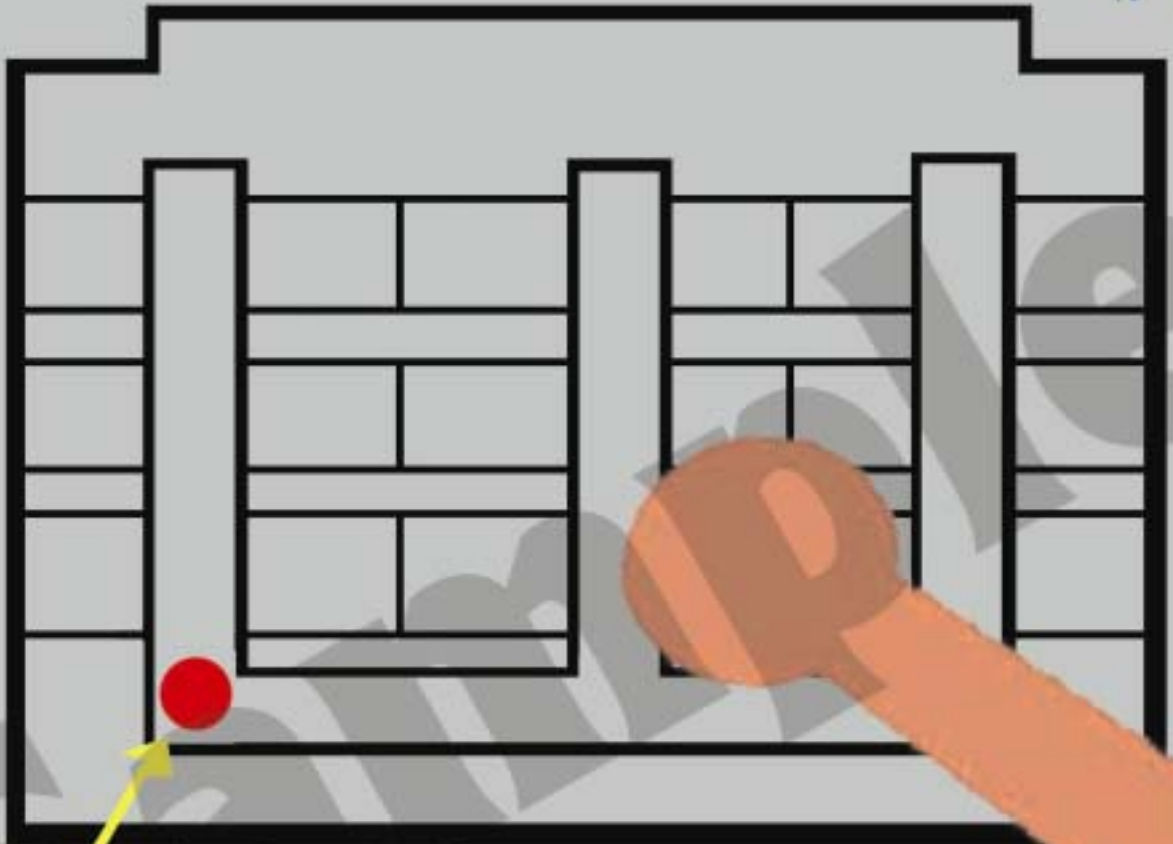

This is Hannah's friend.
His name is Brown Bear.
He thinks they should look
for food.

104

But it is a big school!
Where could Hannah find food?
It's easy.
Brown Bear has a map.

you are definitely
not here

Let's go down this hallway.
There should be something
in one of the lockers.

Nothing in either of these.

one of those
older-type keys.

Wait!
Look in this one!
A key and a note!

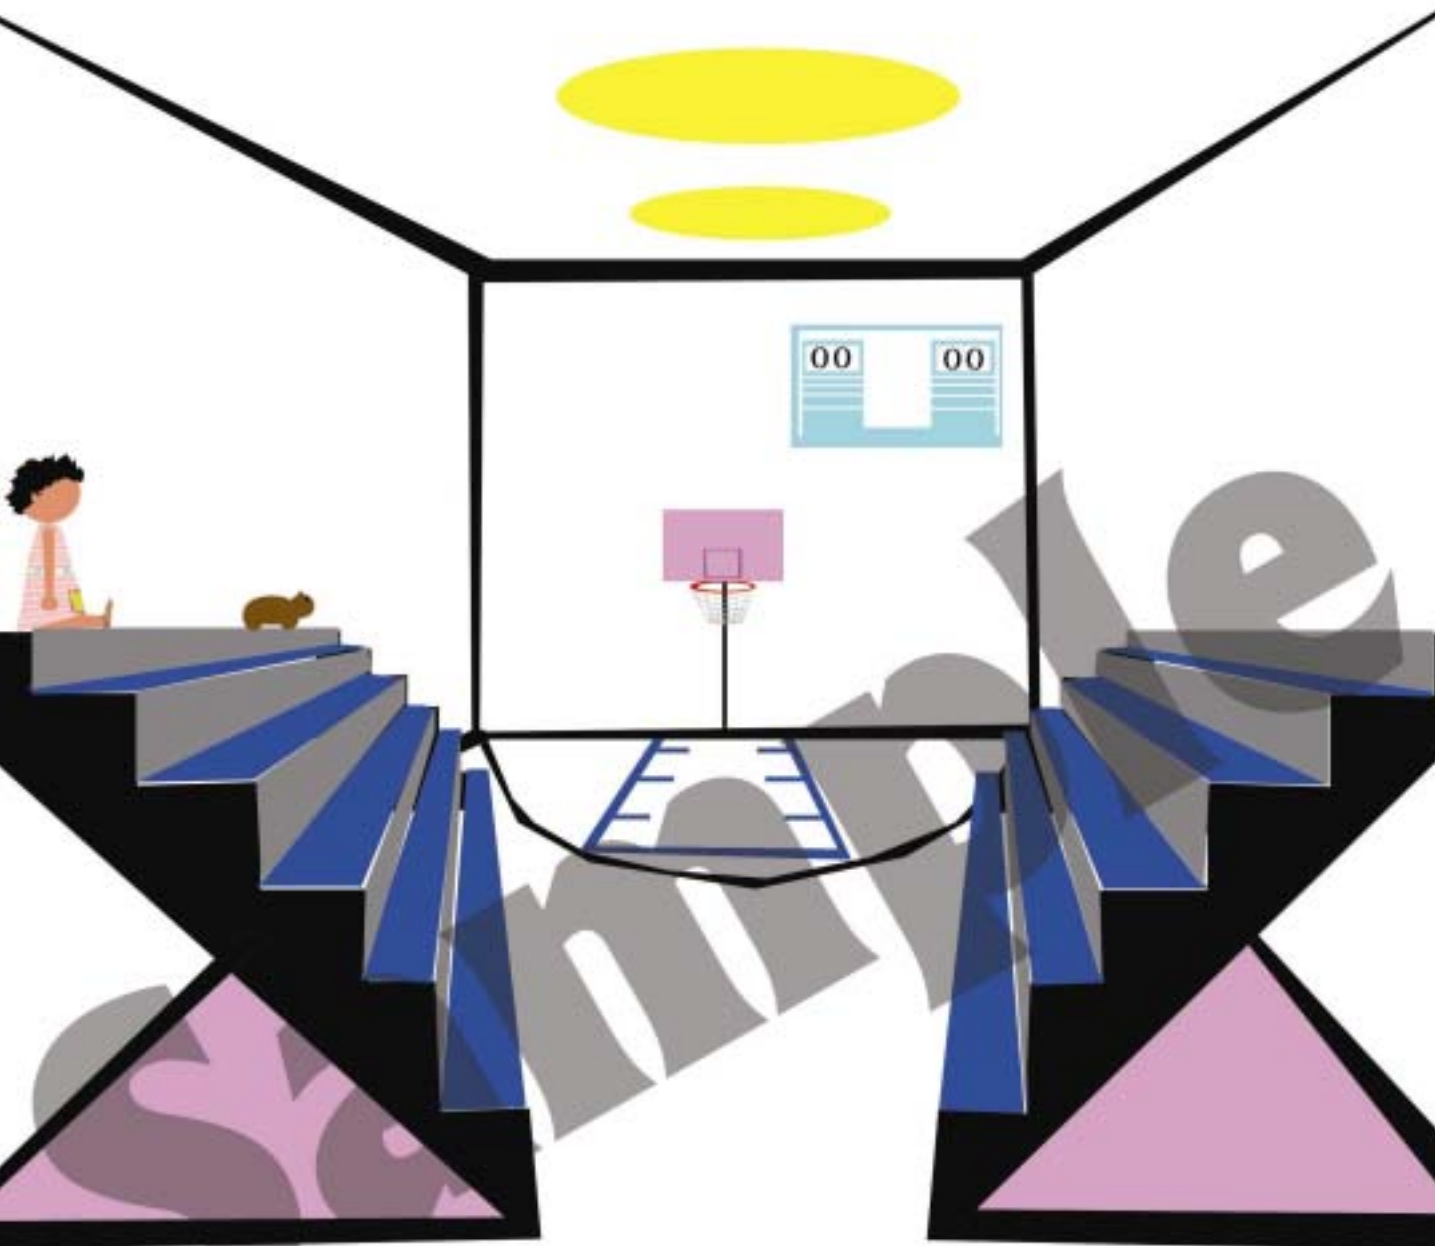

FOOD UNDER
SECRET
DOOR IN
GYM

-a friend

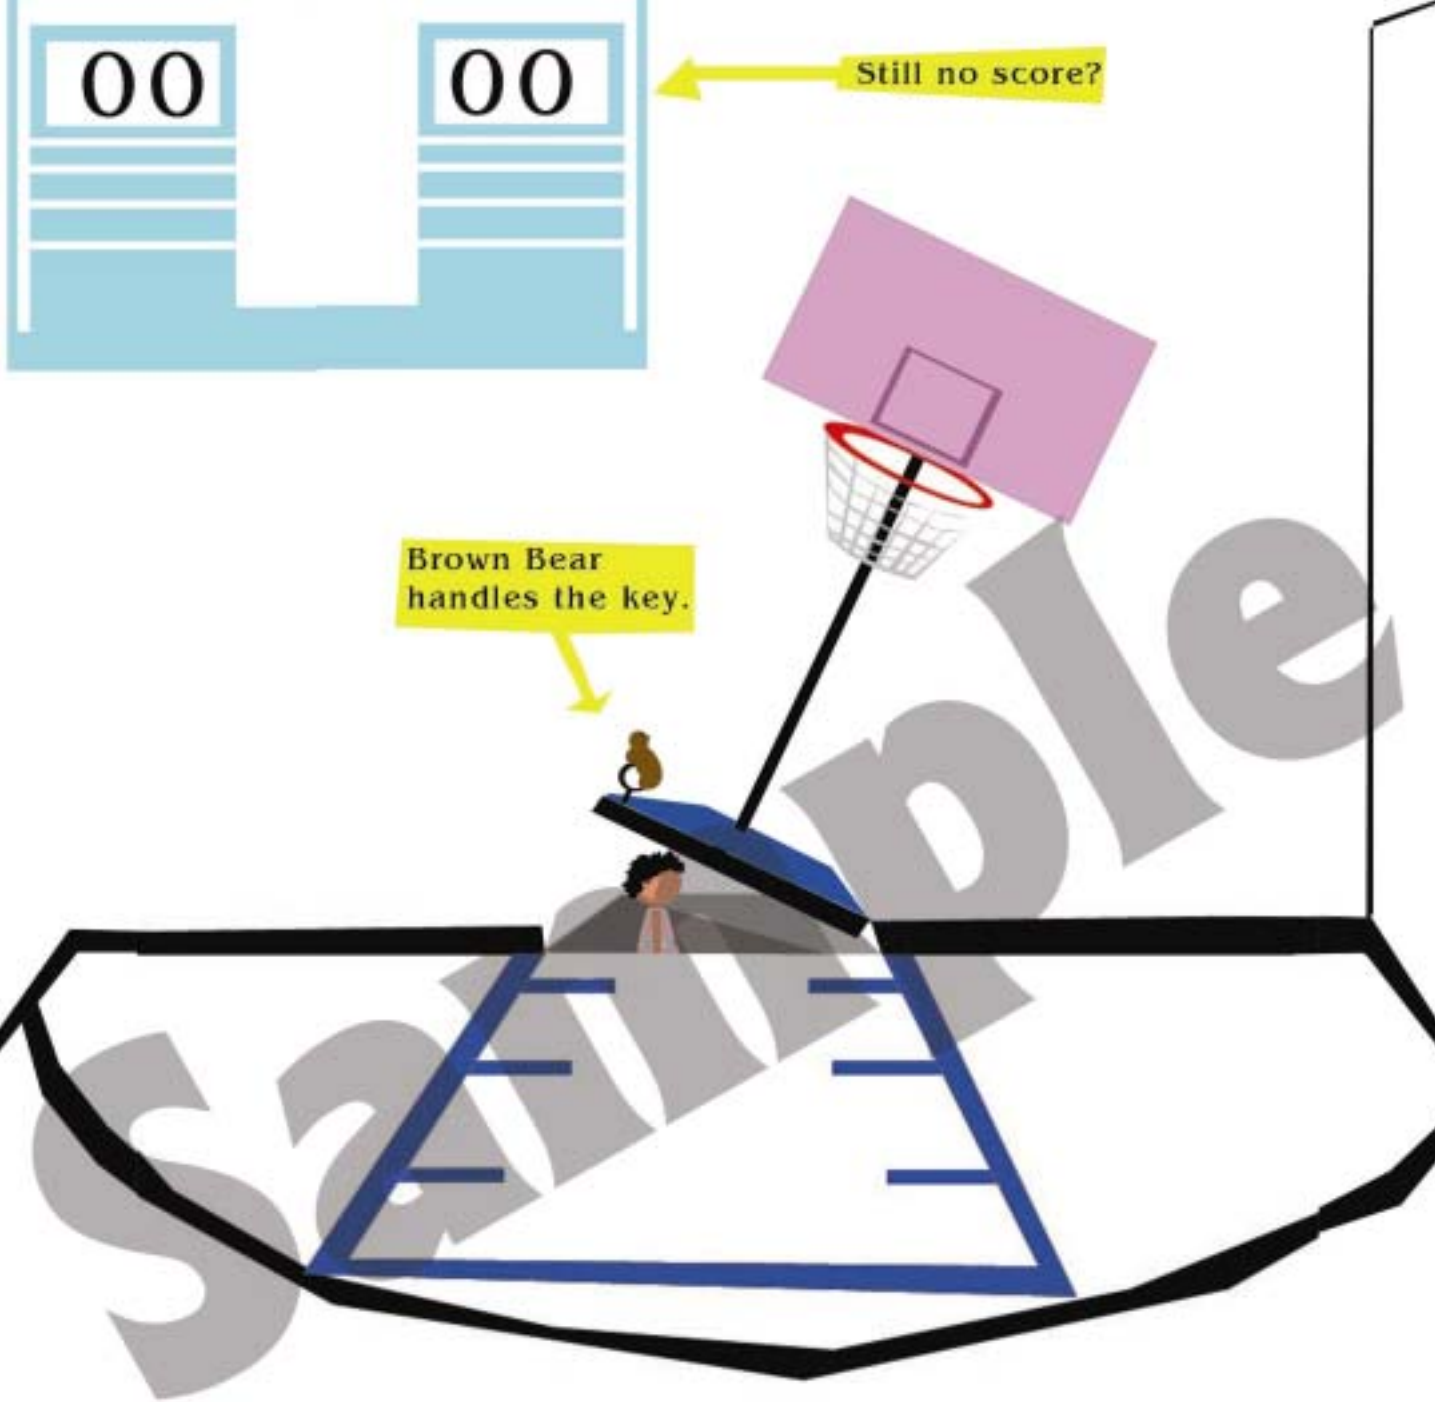

The note is mysterious.

To the gym!

This is the gym, but where is the secret door?
Brown Bear seems to have an idea.

Good old Brown Bear.
He found the trap door
which was hidden brilliantly
under the basketball hoop.
Well, down they go.

Who the heck is
Mr. Crenshaw?

Mr. Crenshaw
top secret
Memorial Canal

Look.

At the bottom of the stairs
is a canal.

But the boat is broken.

What to do?

Its a giant turtle.

He says his name is Mr. Crenshaw.

That explains the sign on the other page.

Hannah asks if they can have a ride.

Mr. Crenshaw says sure, hop on.

Abandon all sporks ye who enter here

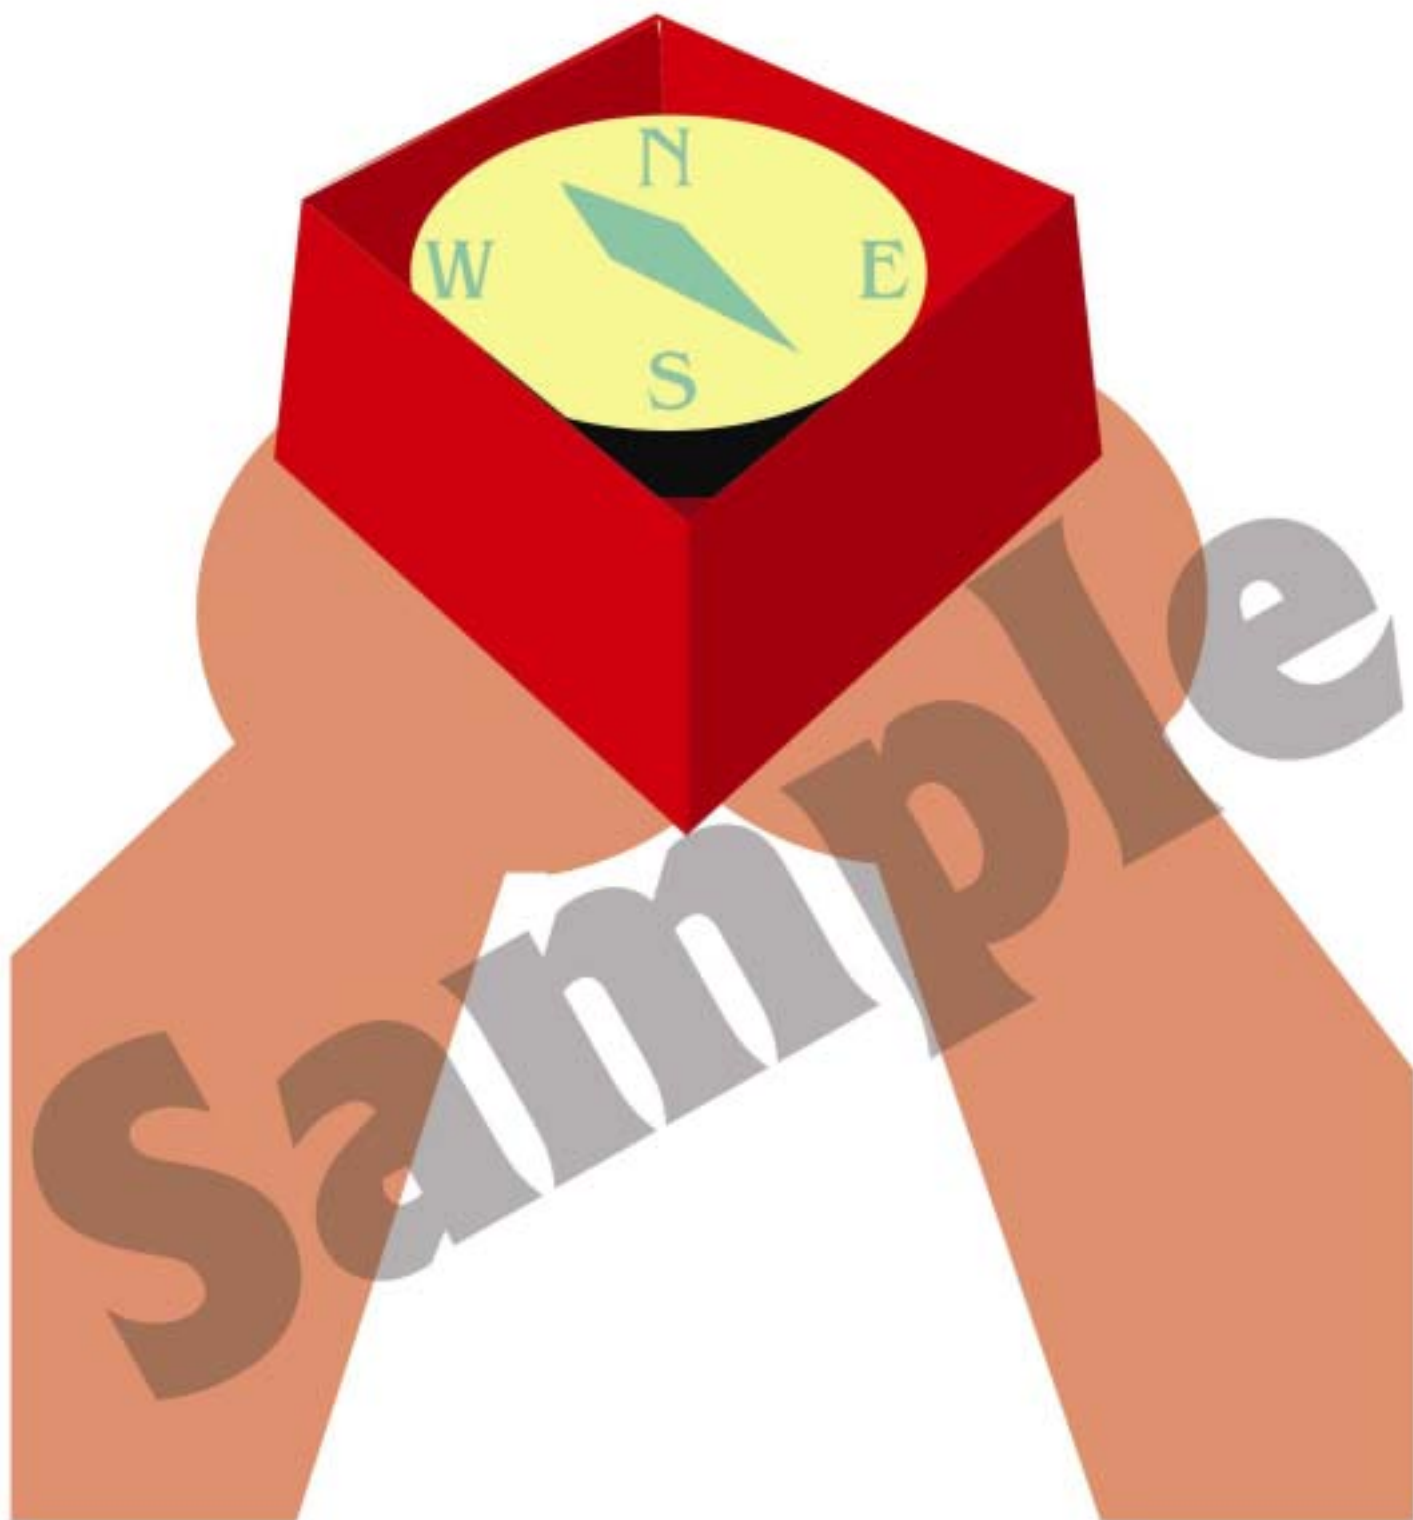

Look where Mr. Crenshaw dropped them off.

At the fabled silverware storeroom.
But there is no food here.

Only piles of forks, knives, and spoons.

But wait.
What is this red box?
Let's open it, Brown Bear.

Inside is a compass.
There is also a note.
It says: go north for food.

This ladder goes up.
Up is north.
So let's go north up the ladder.
Hold on tight, Brown Bear.

Finally.
Made it to the top.
But where are we?
Brown Bear thinks he knows.
It's some sort of bagel room.

freezer with
a note

Bagels are food!
Finally something to eat.
But we can't eat a plain bagel.
That would be gross.
Brown Bear sees something.

Cream Cheese
Storage Freezer.

- plain
- chive
- vegetable
- smoked salmon

After reading the sign
Hannah decides to take
a peak inside.
She can't believe what she sees.

She found her favorite kind of cream cheese!

Finally a decent bagel with the perfect cream cheese on it.

Brown Bear seems happy too.

The End
