

PERSONAL STATEMENT

My name is Lauren Morgan. I was born in Tennessee, grew up in Texas, and now live in Oklahoma. Well, I somewhat live in Oklahoma. What do I mean by somewhat you ask? As of right now I am volunteering as the creative director at an International Church in Indonesia. My experience and love for design and media started when I was enrolled into a media broadcasting class my freshman year of high school. I have self-taught myself everything I know up until January 2017 when I enrolled in SNHU to pursue my bachelors degree in 3D Graphic design and animation. I love every minute of what I am doing, and hope to see the world become a better place by using my gifts and talents to help people in need. Some of my hobbies include: Playing guitar, watching youtube videos, learning new skills, making crafts, and watching the sunset at the beach.
