Re: Felicitas Castaneda and Jose Castaneda

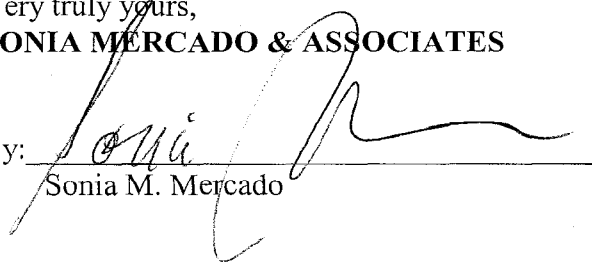

Dear Mr. Sohigian:

This is in response to your telephone call to my office today. You began by acknowledging that you know that a demurrer with prejudice was granted in my favor, and that you know that the statute of limitations has expired. What I further made very clear to you today was: 1) that Jose Castaneda has been on a rampage against me, including stalking me, ever since his brother subpoenaed me to testify in a trial regarding money that Jose allegedly took from his brother; 2) that Jose Castaneda has all the records and **beyond a doubt knows** that his mother was paid fully from my office, in fact, unlike my usual practice, I reduced my retainer fee for Mrs. Castaneda; and 3) that at the time I represented Mrs. Castaneda, she was afraid. In fact, did Jose tell you that for an entire year, Mrs. Castaneda was homeless because Jose had depleted all the funds.

Whatever is going on in this family, is beyond my knowledge and representation. Ask Jose to get you all his mother's bank records, and all the records, he does have on that matter. But please be advised, that if he continues to harass me, stalk me, to be a vexatious litigator, and to maliciously prosecute me, when I prevail, and I will, I will seek sanctions against him, and any attorney who maliciously prosecutes me further. This includes any potential lawsuit to stop this harassment will seek attorney fees, costs, and damages.

I will not write you or him further. You know the statute of limitations expired, I will consider any further legal action malicious and in bad faith. If I am required to hire counsel again, and required to waste more time with this matter, I will seriously consider this an ethical and professional violation of the rules of Professional conduct.

Very truly yours,
