## 18 U.S.C. 2257 Compliance

This web site relies on the language of the statute and on the well-reasoned decision of the United States Tenth Circuit Court of Appeals in *Sundance Associates v. Janet Reno*, Attorney General of the United States, which held that entities who merely distribute content, and have no role in procuring models or producing content, are exempt from on-site record keeping requirements. Nonetheless we provide here information as to where such records are located.

18 U.S.C. ' 2257 Compliance Notice All models, actors, actresses and other persons that appear in any visual depiction of actual or simulated sexual conduct were over the age of eighteen (18) years at the time of the creation of such depictions. Some of the aforementioned depictions appearing or otherwise contained in or at the web site, contain visual depictions of actual sexually explicit conduct made before July 3, 1995, and, as such, are exempt from the requirements set forth in 18 U.S.C. '2257 and C.F.R. 75. With regard to the remaining depictions of actual sexual conduct appearing or otherwise contained in or at the web site, the records required pursuant to 18 U.S.C. '2257 and C.F.R. 75 are kept by one of the custodians of records listed below.

All license agreements reflecting the location of the custodian of records for any material appearing at one of the sites listed above are kept by Polaris Multimedia Inc. Please contact us if you request more information.
