**EVERYBODY'S GOING LOCO OVER THE COCO!  
AND THAT'S A MATTER OF FAT!**

Virgin Coconut Oil is not just any ordinary edible oil. From fresh coconut oil's medium-chain fats are easily broken down by the liver into energy. Furthermore, it helps in metabolizing other fatty acids, perfect for the body-conscious.

Here's more. Virgin Coconut Oil is a beauty product too. It has long been used for making soaps and other skin care products. Oral intake and/or regular application to the skin aids in exfoliating dead cells. Applying it to the scalp also makes the hair blacker, healthier, and shinier. With Virgin Coconut Oil, you have the perfect companions.
