

## Hello World

I'm so excited to be introducing my new website & blog. This is going to be a place where I share extra details of my day, photos, and thoughts. I hope you guys will join me in making this a warm place to communicate and share.

## Morning Routine

Morning routine is one of the most requested videos on my channel. I'm still brainstorming and thinking of creative ways to portray that tiny portion of my day on video, but in the meantime I'd like to share what my typical morning routine looks like currently.

## Favorite Podcasts

I love to listen to medical podcasts whenever I am travelling or get some time. There are so many doctors and professors giving talks on pediatrics and emergency medicine. I will share it here which might help any pre medical student here

## Goals for 2021

I'm not a big "resolution" person, but from time to time I like to take a step back and make plans for the next few months.

## Why I love medicine

I have been super passionate about medicine since I was 14. My passion has no reason. But I just love medicine and the body

## Specialities In Medicine

There are a hundred specialities of medicine. Most Pre Medical students are confused often about which speciality does what

[About Me](#)

Hi everyone! My name is Vidhi

I am current freshman at Dixie State university in St. George Utah and the creator of Meet Vidhi. I am a computer science major and taking the prerequisite classes for medical school. I hope to make this website a special place for people all around the world to gather and share their mutual interests for medicine, travelling and fashion
