

## Ira G. Ross Eye Institute

A unique and nationally innovative collaboration with:

- The Department of Ophthalmology of the University at Buffalo School of Medicine and Biomedical Sciences
- The Elizabeth Pierce Olmsted Center for the Visually Impaired
- The Lions Vision Beyond Sight Foundation

## Vision Beyond Sight Foundation Inc.

*There are many ways that an individual, business, club or foundation can help. Lions of Western New York have established the Vision Beyond Sight Foundation, Inc. as a tax exempt organization as described in section 501 (c)(3) of the Internal Revenue Code.*

*To make a financial contribution or to find out more information on the tax benefits of making a gift of cash, or securities or remembering us in your will contact (716) 683-3548.*

Make checks payable to:  
**The Vision Beyond Sight Foundation Inc.**

Mail to  
**P.O. Box 524  
Lancaster, New York 14086**

## The Lions Diagnostic Center

**a component of the Ira G. Ross Eye Institute**

funded by:  
The Lions Vision Beyond Sight Foundation

will provide:

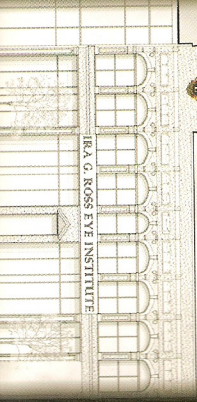

- Cutting Edge Technology
- Human Service Volunteers
- Eye Care for the Indigent
- Volunteer Office
- Agency Assistance
- Community Outreach
- Eye Screenings

Any Visual impairment is as much a psychological challenge as it is a physical and lifestyle altering condition. In an era of rapid clinical development and rehabilitation, we as LIONS must continue to provide personal attention along with our commitment to prevent and ultimately eradicate blindness. The day we lose this vision will be the day that Lions lose sight of their motto: "WE SERVE"

*World's first center of excellence for eye and vision care and research...*
