

# The Leapin' Lizard Leaflet

Mrs. Lees-Hill's Classroom Newsletter- Week of January 15th

## This Week

- 100 Days of School Celebration!
- Reading and Writing
  - Stretching a Small Moment
  - Sequencing Events
  - Remembering Important Details
  - More Non-Fiction Book Studies
- More practice with 10's and 1's
- Identifying Coins and their Value
- Transfer Counting Tally Marks to Using Nickels and Pennies

## Last Week

The children celebrated their first full week back from Winter Break. They got started by combining Science and Reading to learn about different types of bears as well as a variety of non-fiction text features. In Math, the children used Base Ten Blocks- rods (10's) and cubes (1's) to explore numbers higher than 10. Then the children transferred their learning to dimes and pennies. Finally, the children focused on correct capitalization in Writing.

## PARENTING

### Corner

#### Positive Interactions with your Child

- Learn the Lingo!
- Celebrate the little things!
- It's QUALITY Time, not Quantity Time!

#### Join the Parent Resource Team

in the Media Center

on Tuesday, January 29th

at 6:30 PM

Childcare is available upon your request!

## Remember

- Save a few more milk/water jugs!
- Keep saving plastic CAPS!
- Save your Box Tops for Education!
- Label jackets and sweaters!
- Every child needs a small stuffed toy or pillow AND a small blanket or towel for Rest Time.
- It's that time of year- WE NEED Clorox wipes, hand soap, and tissues! Please commit to bringing at least one of these items to school ASAP!
- WE NEED MORE CRUSTY ICE MONEY! It's a great incentive for the kids on Friday!
- Please forgive me for not getting Report Cards out to you on Friday, January 12th. I had them ready and strategically placed by the folders...my strategy didn't work!
