Mr. Wikaria Gazali Visits Chiang Mai, Thailand

August 04 , 2010 - August 06 , 2010

Mr. Wikaria Gazali, S.Si. M.T, Head of Mathematics and Statistics Department from the Faculty of Science and Technology, visited Chiang Mai, Thailand to attend International Conference on Computation for Science and Technology (ICCST) from 4th August 2010 to 6th August 2010. Mr. Wikaria presented a paper on "Application of the Tabu search methodology to optimize laying of pattern on cloth". In his paper he explained the application of a computer program to achieve such objective. The aims of the conference are to strengthen international networking between researchers, institutions as well as related industries, to share findings on recent computational method-based research, as well as to encourage young researchers in this field.
