

Did you know... you can hold Walton land in your RRSP?

Walton International Group Inc. now allows investors the benefits of land ownership within a Registered Retirement Savings Plan.

For as little as \$2500 you can own land inside your RRSP!

Land Offers:

- ✓ Diversification: diversification of investment portfolios can substantially improve returns
- ✓ Stability of real estate balances market volatility
- ✓ Low correlation to other asset classes

With RRSP season fast approaching, Walton International Group Inc. now has RRSP eligible products available.

Please consider us when making your RRSP allocation this year.

For more information, please contact your Walton International Group Inc. Consultant or visit our website at www.waltoninternational.com
