*Think you know who we are??*

ABATE is a non-profit, member based organization, designed to promote and protect the interests of **all** NY motorcyclists.

ABATE monitors and interacts in the legislative process, assuring that the motorcyclist point of view is presented to legislators.

ABATE promotes motorcycle safety, rider education and driver awareness through safety and education programs.

ABATE provides educational and social opportunities for members and non-members. All chapter activities, events and meetings are open to anyone that shares a common interest in motorcycling issues.

ABATE is not against helmets; ABATE is opposed to mandated helmet laws and supports free choice.

Membership is open to ALL people regardless of age, race, creed, color, or sex; affiliation with any other organization or club; make or model of bike, or if you even ride.

For more information contact Karen 518-392-7354 or Paula 518-821-5698

## What is ABATE?

### AMERICAN BIKERS AIMED TOWARD EDUCATION

A non-profit corporation formed to promote and protect the interests of New York Motorcyclists. **ABATE** monitors and interacts with the legislative process, enhancing the image of the sport, and providing educational and social opportunities for members as well as non-members. **ABATE** will continue to strive to become acquainted with both the issues and people of the motorcycling community.

We encourage all our members to be informed registered voters. "New Rider" education classes with certified safety instructors are currently being offered by some of our 26 Chapters throughout the state.

We welcome interested persons to any of our activities and to join our organization.

**ABATE** does not discriminate - all makes of motorcycles are WELCOME.

*Dedicated to Freedom of the Road*

### ABATE Aims & Purposes

- A.** To review and inform our members about federal, state, and local levels of government motorcycle legislation and to promote favorable motorcycle legislation
- B.** To improve road condition thus making roads safer for motorcyclists
- C.** To help prevent accidents through education.
- D.** To promote positive community relations
- E.** To promote political involvement of motorcyclists
- F.** To act as a legislative liaison between motorcyclists and government authorities, police departments, government agencies, insurance companies, and other organizations.
- G.** To report and discourage biased news reporting of motorcyclists
- H.** To present and promote a better public image of motorcycling.

**Legislative Report:** by Prospector

- \* Legislation in Long Island – Jack Eddington, Suffolk County legislator, stopped dead the SCPD (Suffolk county police dept.) 'motorcycle only' stops in 2009. ABATE of LI, with the help of radio station WBAB, called a press conference and publicized the news the day before the legislative vote was to take place. Together, with Police chief and legislator, they all met and were able to come to agreement on the use of \$25,500 grant funds to the SCPD, No motorcycle only stops will be implemented.
- \* Education Program- MANYS (Motorcycle Association of NYS) contract up on Feb 3, 09. The ABATE position is that we wanted more competition in the bidding process to stop monopoly. Now using MSF for programs.
- \* Confiscation Bill --A1933 Lupardo sponsor / S1298 Dilan sponsor-- Provides ownership of unidentifiable part in identifiable motorcycle, other than stolen motorcycle, shall be returned to the owner after investigation. Senator Dilan is the Transportation committee chairman and offered to sponsor the bill.
- \*Helmet Bill –A00720 sponsor Gantt /no Senate sponsor --Requires motorcycle users to wear helmets that meet the federal motor vehicle safety standards and which have been impact-tested by the U.S. department of transportation, the commissioner of motor vehicles or by an independent laboratory approved by the commissioner of motor vehicles. As of 2/3 this bill has reported out of codes, and as of today it has advanced to the third reading.

**Newsletter Report:** given by Karen. Advertising rates to change and be added to the website as well. ABATE RRF will also be added to the website for donations to our PAC -Political Action Committee. Reminder to ask people about advertising, ask proprietors for discounts for ABATE members, that could potentially help in the way of membership for us

**Public Relations:** given by Paula PSA made and discussed at state seminar for each chapter to try and make own, use ours in May Members needed for chapter PSA, will have more info next month. Road signs on order, bumper stickers are coming.

**Sgt at Arms Report:** given by Roddy. Everything's quiet.

Run is coming up, will have 2 stops and ending at the Mt Washington House, will need four people to help punch cards. Road guards will be grouped at the beginning and then at each stop to regroup to stay at the beginning of the group, and we will have a dedicated sweeper.

**Committee Reports:**

**Cabin Fever, March 25-** Committee not ready to report only one person present, suggest use of firehouse. Paula has talked to Carmen at Meadowgreens, pizza, wings and salad for cover charge. Has entertainment already scheduled anyway. Discussion from last month's meeting regarding a public location. Option of Firehouse is that we have to provide the food and charge for use of the firehouse.

**Motion #06-09** by Dave with second, to use Meadowgreens for Cabin Fever Party. Vote: Unanimous. Motion carried.

**BOTE MRF 'Beast of the East'** April 17-19. Chapter cost is \$100 for all attendees registration by March 17, the Sat Banquet cost is \$35 per person and room cost is \$99 per night. Any interested parties should contact Karen, we are planning on driving out together.

\*\* reminder that we need people to step up for committees, and again ...

**'200 Club'** Every year we have a problem getting all of the tickets sold. *President stated, " We will not be having the party if all of the tickets are not sold. We have this event to make money for our chapter. I am not against having the party; I am against the costs and amount of work involved in relation to the outcome."* Discussion ensued on President's comment opposing the termination of the event thus proving the point that it is possible to sell all of the tickets if determined. Our flyer has been approved from the state and is on our website for copy and distribution. Frank has sold 12 tickets to date and has them available now for member distribution. All information must be on the tickets returned to Frank in the event that the monies have to be returned to ticket holders.

**Rolling Thunder** Memorial weekend /Viet Vet Run-MIA/POW--Frank has 3 rooms left. 518-697-8837

**Chatham Fair** will have the signup sheet for next month, so we can start that rolling as well. Will hopefully have entry tickets for those helping at the booth for our August meeting.

**Bozo Run** Helps to aid the CG Humane Society and AnimalKind, Inc. Will run similar to past runs with raffles and donations and ending at Meadowgreens.

**Toy Run** Will be headed by Rick Cort this year as Pete has stepped down

**Christmas Party 12/5** combined with monthly meeting. Have talked to Kozel's, sit down dinner or buffet whatever is decided, we will not be charged for the people that don't show as in the past. There will be a \$10 cover charge for everyone, to reduce chapter expense. There is no committee set, so other ideas can be brought to table.

**Unfinished Business**

\* Still in need of 8 to 10 more Harley tee-shirts prefer colored to be made for Fair raffle. Motion reread from previous month regarding the quilt as chapter or state. State meeting/ board meeting possible to have quilt made at state level with chapter shirts for next years raffle?

\*Freedom Rally in Albany-- Bob D. wants to know what plans are in order; this is going to be an important year. Our chapter will be making plans to meet with legislators and is currently working on specific list for each member to know exactly who the legislators are. President and read last meeting minutes to those present and will bring up concerns at state chapter meeting.

\* Hudson Elks coin drop on April 11 at corners of Dunkin Donuts and McDonalds, Pete would like more people to help out, participation help to cover the costs involved in the Flag Day Parade, probably 9-1pm, will have confirmed time for next month.

\* Bob Sr. - Jim Tedisco and Mark Molinaro will be at the Hudson courthouse on Saturday at 2pm, Mark has always been a good supporter for us, would be nice to have a turnout for him

**New Business:** Karen - July is a slow month any ideas for functions are welcomed. Chapter officers discussed hosting/holding a possible chili cook-off/ contest for the fall Nov. or Oct. may possible to hold at the Ghent Rod & Gun Club, would like some member feedback.

Jill - would like the chapter to consider having a memorial party/ bbq for past members, possibly in July.

The PAC hat collected \$19 tonight, thanks to all.

**Motion #06-09** made by with second to adjourn meeting at 8:13 pm. Submitted by Paula Palleschi, Secretary

**October 15-18 Biketoberfest, Daytona, FL** Biketoberfest has expanded beyond just the Daytona Beach are; notably Bruce Rossmeyer's Harley Davidson now has all of the offerings that you would find at most rallies right on their huge property. Another new thing to note about this Florida rally is that *there is a new law prohibits having your license plate vertically mounted and also that requires both wheels on the ground.* Biketoberfest is one of the premier motorcycle rallies in the world and subsequently it will have all of top notch attractions. Many of the best custom bike builders show up with their latest creations and there are a number of great custom bike shows with elite competition in many categories. As with Daytona Beach Bike Week, there is tons of racing at the Daytona International Speedway during Biketoberfest. Additionally you will be able to see top name bands, motorcycle shows, demo rides, expos, celebrity appearances, endless vendors, charity rides, and all of the entertainment and attractions at the renowned area bars.
