From the Community Lay Director

I would like to take this opportunity to introduce myself. My name is Robert Porter and I will be serving as the Community Lay Director, a position that I am very honored and humbled to be part of. I have been a part of this community since 1992. Many of you will know me from serving in the dining room which I have been tremendously blessed. I am looking forward to getting to know and serve with each of you so together we may fulfill what God has planned for this community.

We started off this year with four very successful walks which took place in the Spring. I am trusting the Lord that these four walks will be just as successful. This is where you, the community, come in. There is a constant need for volunteers serving on teams and working behind the scenes. Deuteronomy 10:12 tells us, "And now, O Israel what does the Lord your God ask of you but to fear the Lord your God, to walk in all his ways, to love him, to serve the Lord your God with all your heart and with all your soul." The Word tells us in Hebrews 6:10, "God is not unjust, he will not forget your work and the love you have shown him as you have helped his people and continue to help him."

I ask you that you allow the Lord to show you where He wants to use you.

Once again, I look forward to serving with the whole community and I am always available if needed. Thank you for all your support and prayers.

May the Lord Bless each one of you!

DeColores,
Robert Porter, rtreehawk@yahoo.com

Hi To All from the Registrar

We really need men's applications. If you have someone in mind, please get your application in as soon as possible. Of course, there are still openings for the second set of walks - men and women. Please be in prayer that God will fill these walks.

Blessings,
Cathy Howell, cwh916@yahoo.com

Agape Needed!

Bed and Table Agape

This is something you can provide either on behalf of your reunion group or church. Remember no individual names should be put on the Agape, only the name of your group and where you are from. Remember that agape that is sent to camp needs to be in clear plastic bags in amounts of 24 or 50 — remember to pick-up left-over agape at camp at closing.

Snack Table Agape

One of the wonderful gifts we give and receive during the Walk weekends is food agape. If you love to bake, cook, or prepare wonderful food dishes — food agape can include healthy snacks such as vegetable trays, fruit trays, granola bars, and cheese trays. Other food agape can include home-baked goodies such as cookies, cakes, pies, and brownies — anything homemade goes over very well! We also need soda and bottled water. Bring your agape to the support area during the walk weekend.

Creative Expression Agape

Several of the talk banners are beginning to show signs of wear & tear. We would like to form a “banner circle” in the same manner that quilting or knitting circles are formed to repair old and create new banners for our community.

Book Table Agape

If you have books that you can donate to the Book Table for after the Growth in Study talk, please bring them to camp or the next gathering.

Question about agape or interested in forming a banner circle? Please contact Jill Satterfield, nanajill@carolina.rr.com

72-Hour Prayer Vigil & Prayer Chapel

The most important way to serve during the walk weekend does not require you to be at camp. You can sign-up to pray during the 72-Hour Prayer Vigil. You can pray at home, work, church, in your car ... wherever you are! All you need to do is contact Nancy and let her know what 30-minute time slot(s) you would like to pray during. We especially need to get Thursday evening and Friday filled before the walk weekend begins!!! Please contact Nancy Clarke to sign-up for the vigil.

Reunion Groups

Your Reunion Group is the most important part of your Fourth Days. Be diligent in joining or organizing a group AND be faithful in participation. Don't be afraid to change groups if you do not feel comfortable in the group you join. Remember this is an accountability—support group! If you are not comfortable and don't share, how can you be held accountable and how can others support you? **Below** is a list of active Reunion Groups for the Emmanuel Emmaus Community. So, if someone is not attending a group or would like to change groups, here is the information of what is available in their area.

If your group is not listed or your group's information is incorrect, please let Janice Kelly (jansterk88@yahoo.com) know!

Logistics: Set-up & Take-down

Set-up and Take-down is a very important area to serve. Set-up is done Wednesday at 5:00 pm. The chairs, TV, DVD, and podium have to be set-up in the conference room. The signs have to be placed at four roads leading to camp. The kitchen pitchers, bowls, non-perishable food, etc. have to be brought-up from the building, cleaned, and the kitchen wiped-down. On Sunday, all of this have to be stored back in its proper place. The kitchen begins that morning and finishes just before closing. The conference room is taken down around 3:30 pm.

If you can help with Set-up and/or Take-down, please contact Barry Campbell.

Kitchen

As with the dining hall, all are welcome to prepare for each meal. Work begins Wednesday evening at 5:00 pm with setting-up the kitchen. Thursday, we begin at 1:00 pm with unloading food & supplies and beginning to prepare food. We usually stop about 4:30 pm to eat supper. If you can help anytime Wednesday or Thursday, please contact Jackie and let her know what time she can expect you. Of course your help throughout the weekend is still needed as always, but for this you do not need to contact Jackie—just show-up and serve! We especially need help on Friday all-day because most people have to work, and Sunday morning beginning at 6:30 am through 3:00 pm because most people have to be at their church. Can you help-out in the kitchen? Please contact Jackie Smith.

Dinning Hall

All are welcome to set-up and clean-up for each meal. Those who are not a sponsor or a close relative of a pilgrim may serve during the meal. We especially need help cleaning-up after the Saturday evening meal because everyone is trying to get to Candlelight. If everyone could stay at least 15-20 minutes after the pilgrims have finished and help clean-up, we could get most of it done. Please remember that serving in the dining hall requires one to serve quietly and anonymously. If we can serve during the weekend and the pilgrims do not remember us, then we have done our jobs to serve with love and without recognition as Christ served.

Music

We're looking for musicians to help with the music for our Walks and also for Gatherings. It's a great ministry and the Emmaus songs are very simple. Guitar players, harmonica players, keyboard players ... ALL musicians are welcome! Please contact Alan Wacaster at awacaster@carolina.rr.com

Chrysalis News

It was with a sad heart that we made the decision to cancel both flights for this year. We waited as long as we could before making this decision. Please pray for Chrysalis it truly breaks my heart to not be able to hold our flights and serve our youth.

Now for some good news; it's a **HOOT!** We will be going up to Camp Carolwood on Friday evening, September 4, sorting through and packing up all of our supplies for our move to Camp Loy White. We will be spending the night and finishing up on Saturday afternoon, September 5. We need all the help we can get so if you can make it and would like to help please do. We realize that this is Labor Day weekend but it has already been booked and we are going to take advantage of the time.

Hope to see you there!

Fly with Christ,

Debbie Nantz
