Web Notice - RCN Technical Apprentice Reunion 2010

The plans are now in full swing in preparation for the RCN Technical Apprentice Reunion to be held in Halifax, Nova Scotia, September 15th to 19th 2010. The Reunion will be celebrating two major events, the 100th Anniversary of the Royal Canadian Navy and the 58th Anniversary of the Technical Apprentice Training Program.

The following is the proposed schedule of events:

Wednesday 15th - Meet and Greet at the Ashburn Golf Club, 6pm until 9pm. Registration will occur at this time.

Thursday 16th - Golf for those so inclined and a free day for others to take in the sights of Halifax and surrounding area.

Friday 17th - Class functions.

Saturday 18th - Dinner and Dance at the Ashburn Golf Course, 6pm until midnight. Dancing will be to music of the 50s, 60s and 70s.

Sunday 19th - Chapel Service and Brunch at the Ashburn Golf Course, 9am until 11am. A quick meeting will occur for the next Reunion's location.

An extra day has been added to the program to allow for a more leisurely stay and the opportunity to explore old haunts (if they exist) and the "new-to-you" Halifax. The committee is working on putting together an extensive list of activities to partake during your stay. Such additional activities are dinner theatre, harbour cruise and other various tours that are available but not included with the registration cost.

There is an opportunity to relive the train ride to Nova Scotia. Dave Thomson (04) is working on a plan for you to join the train while enroute to Halifax. More fun and enjoyment could be had while traveling across our fair land. For further information, Dave can be contacted at ashmeads@shaw.ca.

A letter will be mailed to all apprentices in September 2009 providing further information, including registration and additional activities.

The Reunion Committee is looking forward to seeing you here in Halifax for the 2010 Reunion celebration.
