

## Just Can't Get Enough Speak & Spell

---

When I'm with you baby, ..... Cariño, cuando estoy contigo  
I go out of my head..... estoy fuera de control  
And I just can't get enough..... y nunca tengo suficiente  
And I just can't get enough..... y nunca tengo suficiente  
All the things you do to me..... Todas las cosas que me haces  
and everything you said ..... y tod lo que has dicho  
And I just can't get enough..... y nunca tengo suficiente  
And I just can't get enough..... y nunca tengo suficiente

We slip and slide ..... Nos deslizamos y resbalamos  
as we fall in love..... al enamorarnos  
And I just can't seem to get enough..... y parece que yo nunca tengo suficiente

We walk together,..... Caminamos juntos  
we're walking down the street ..... vamos juntos por la calle  
And I just can't get enough..... y nunca tengo suficiente  
And I just can't get enough..... y nunca tengo suficiente  
Every time I think of you..... Cada vez que pienso en tí  
I know we have to meet ..... sé que tenemos que volver a vernos  
And I just can't get enough..... y nunca tengo suficiente  
I just can't get enough ..... nunca tengo suficiente

It's getting hotter, ..... Es cada vez más apasionado  
it's a burning love..... es un amor ardiente  
And I just can't seem to get enough..... y parece que yo nunca tengo suficiente  
I just can't get enough ..... nunca tengo suficiente

And when it rains,..... Y cuando está lloviendo  
you're shining down for me..... tu brillas para mí  
And I just can't get enough..... y nunca tengo suficiente  
And I just can't get enough..... y nunca tengo suficiente  
Just like a rainbow, ..... Igual que un arcoiris  
you know you set me free ..... ya sabes que tú me liberas  
And I just can't get enough..... y nunca tengo suficiente  
I just can't get enough ..... nunca tengo suficiente

You're like an angel ..... Tú eres como un ángel.  
and you give me your love..... y me das tu amor  
And I just can't seem to get enough..... y parece que yo nunca tengo suficiente  
I just can't get enough ..... nunca tengo suficiente
