

VOICES, Inc.

VOICES, Inc. is a non-profit organization that exists to provide assistance, support and advocacy for injured workers. It has over 5000 members in Florida and chapters in North Carolina and California.

The lawsuit in this brochure is not a VOICES, Inc. activity, but it aligns with the goals of VOICES, Inc.

VOICES, Inc. was started in 1993 by Beverly Haire, herself an injured worker, who vowed that others should not have to go through the same ordeals she has had to endure in the Florida Workers Compensation system.
