

Christmas Is The Best Time Of The Year

Paul Johnson

Chorus 1

Silver bells ring out the news
It's Christmas
Choirs sing of our Redeemer's birth
Wrap up your presents
Relive your adolescence
Christmas is the best time of the year

Verse 1

Deck the halls and trim the tree
It's Christmas
Celebrate for Christmas time is here
Mistletoe and snowflakes
Help the season testify
It's great to be alive
At Christmas

Verse 2

String the lights around the roof
It's Christmas
Make your home a winter wonderland
Soon as if by magic
There'll be reindeer in the sky
Somehow they can fly
At Christmas

When Christmas Comes This Year

Jim Robinson / Robert White Johnson

Chorus 1

There'll be brand new shiney toys
There'll be joyful girls and boys
We'll take a sleigh ride
Thro'the gently falling snow
There is a star that shines above
To show us the gift is really love
Reminding us to open up our hearts
For a child was born upon a midnight clear
Let us pray the world will keep His spirit near
When Christmas comes this year

Verse 1

When Christmas comes this year
There'll be laughter and good cheer
And lots of presents underneath the tree
Sometimes it's easy to forget
A child was born in Bethlehem
The greatest gift the world has ever seen

Verse 2

When Christmas comes this year
If you listen close you'll hear
Voices singing hope for ev'ryone
Around the fire burning bright
With our loved ones here tonight
We'll sing a song of joy for He has come

In The Fullness Of Time

Kirk Kirkland

Chorus 1

And the whole world cried
Hosanna God save us
And heaven replied
And called His name Jesus
King of kings and Lord of lords
Emmanuel our Savior is born
When the moment arrived
To give hope a name
In the fullness of time He came
In the fullness of time He came

Verse 1

In the fullness of time
God reached out His hand
In the fullness of time
He carved out a plan
With one sacrifice
He would rescue all men
In the fullness of time He came

Verse 2

In the fullness of time
The Word became flesh
In the fullness of time
All nations were blessed
For Jesus had come
Bearing our righteousness
In the fullness of time He came

Verse 3

In the fullness of time
In the chill of the night
In the fullness of time
God sent out a light
To shatter the darkness
And open our eyes
In the fullness of time He came

Misc 1

(BRIDGE)

He came as the Son of God
He came as the One to rescue us all
He came here to die for our sin
And one day He's coming again

Misc 2

(ENDING)

He came to give us hope
To give us life
In the fullness of time
He came
He came

Christmas Of Hope

Buddy Mullins / Rebecca J. Peck

Chorus 1

It's a Christmas of joy a Christmas of peace
A Christmas of prayer that our world will see
A Christmas of love
God help us to show
This is a Christmas of hope

Verse 1

Wide-eyed wondering what will there be
Just what's waiting there under the tree
How do we capture the magic we find
There in the face of a child
Once more turning our hearts to believe
Looking past what we've chosen to see
Bethlehem's miracle forever new
The hope of this season come true

Verse 2

All of the trimmings of holiday cheer
Can't mend the broken hearts burdened with fear
What we need most is the light Jesus brings
To help us see what Christmas means
Heaven's promise of mercy and love
Heals us when we have child-like trust
Giving and caring our hope is renewed
This Christmas our dreams can come true

(BRIDGE)

Born in a manger
Our Lord and our Savior
The Prince of Peace
The hope that we need

Be Not Afraid

Jon Waller

Chorus 1

Be not afraid
Be not afraid
He is born for you today
How great our joy
A baby Boy
Has come to take Your sin away
Tonight in Bethlehem is born the Christ
The perfect Lamb
Won't you give your heart to Him today
Be not afraid Oh

Verse 1

Late one night outside the town
A shepherd watched his field
Not knowing that the perfect Lamb
Was soon to be revealed
Sin and shame kept him away
From high society
Never thought he'd be the one
To whom the Lord would speak
Then suddenly a light from heaven filled
The nighttime sky
An angel stood before him
And looked deep into his eyes
And he said

Verse 2

Late one night in the heart of town
A man was working late
Busy trying to keep his mind
On wealth he was to make
The sin and shame kept him away
From religious kinds of crowds
He never thought the God he sought
Would finally be found
When suddenly he heard a voice from heaven
Clear as day
Burning deep within his heart
The voice began to say

(ENDING)

Can you hear the voice from heaven say
Be not afraid
Ooo be not afraid
Be not afraid

(BRIDGE)

Oh tell me what kind of love
Would leave it all behind

What kind of love
Would lay down and die
What kind of man
What kind of god
What kind of love
Would come so far for me
Perfect love has come
To take the fear away
Deep within your heart
You can still hear Him say
