Sicklerville, NJ is considered to be at the intersection of **Camden County Highway (CCH) 536 Spur (Williamstown Road)** and **CCH 705 (Sicklerville / County House Road)**. There is a **WAWA** on the **Northwest** corner of this intersection.

**Saint John Neumann Church** (star, **Red**, if you have color, on these maps) is **East** of this intersection on the **North** side of **CCH 705 Sicklerville Road**. It is just a few properties **East** of the traffic signal at **Four Mile Branch Road**. This is the only traffic signal on **Sicklerville Road** **East** of the intersection with **CCH 536 Spur (Williamstown Road)**.

To get there from any distance to the **East** or **West** it is easiest to take the **Atlantic City Expressway (ACX)** to **Exit 38** for **CCH 536 Spur (Williamstown Road)**. Turn **North (right from the East, left from the West)** and go to the traffic signal for **CCH 705 Sicklerville Road**. Turn **right**, go past the traffic signal at **Four Mile Branch Road** and turn **left** into the driveway for the parking lot in back of **Saint John Neumann Church**.

From the **North** or **South**, take best route to get to **CCH 536 Spur (Williamstown Road)**. From the **North** this road exits **New Jersey (NJ) 73** just south of **United States (US) 30 (White Horse Pike)**. Turn **left** at **CCH 705 Sicklerville Road** and then follow the directions from the **ACX** above.

From the **South** this road runs from the intersection of **US 322** and **NJ 42** in **Williamstown** and crosses over the **ACX**. From the **ACX** overpass, the directions would be the same as from the **ACX**.
