Growing up in Puerto Rico, **Angel Rivera-Fals, SJ** was inspired by the diversity of the people who taught him. As a Jesuit, he is part of an international brotherhood gathered together by a desire for prayer and apostolic work. "I have been blessed through many people and I want to proclaim the Good News and devote my life to Christ and his Church."

Sometimes our hearts desire more than a job.

Sometimes our hearts desire companions on the spiritual journey. Are you thinking about becoming a priest or brother?

If so, The Jesuits offer many joyful opportunities for service.

We would be honored to hear what you feel in your heart.
