

"A Journey Home" (English)
by Daniel Wefers

for ruma

- (1) the last light of day
and what a day it has been
- (2) a new friendship, a new field
away from the familiar world
- (3) tomorrow's promise of joy and wonder
lies just beyond a good night's sleep
- (4) but the way home
is elusive tonight
- (5) today's adventure
has led to an unfamiliar place
- (6) the thought of the waiting bed
gives warmth despite the evening cold
- (7) the path winds to and fro
through sleepy towns and somber pastures
around the last turn...
- (8) home at last!
- (9) and straight into bed
with big dreams ahead
- (10) the first light of day
and what a day it will be!
