EXPERIENCE HOLD:

- Working as a **Sr. Customer Engineer** in Precision Infomatic (M) Pvt. Ltd. (previously known as ACP Computers Pvt. Ltd.) Premier Business Partner & Service provider for HP invent Vashi, Navi Mumbai, since February - 2004 till date.

Working as a **L2 Level Support Engineer** in **USV Ltd**, Govandi since November – 2007 till date where I'm responsible for handling HP/IBM Servers, backup devices & taking care of around 700 desktops in 5 locations in India & regional offices all over India, along with the team of four more engineers. My major responsibilities includes maintaining servers, applying group policies, taking daily backups, streamline the daily work by coordinating with Vendors, creating PO, CAPEX for the benefit of the smooth operation of the company.

Worked as a **Team Leader** of Precision Infomatic (M) Pvt. Ltd., in Nhava Sheva International Container Terminal Ltd. (**NSICT**) since February – 2004 till December 2006 where I am responsible to Lead the team of six engineers & Three Data Operators, where we take care of all the network, Servers & Desktops and provide a complete satisfactory service to the customers. Along with that I am also handling Win2K/Win2k3 based servers like File Server, Domain controller, Trend Micro Antivirus server, MS-Exchange Server 2003. Taking daily backup of all servers, following up with others vendors to implement & execute new technologies like Wireless RF networking, web-based call management & provide a good service to the customer.

- Worked as a **Sr. Customer Support Engineer** in KBS Computers Pvt. Ltd. An ISO 9001 – 2000 Company, Millennium Business Zone (MBP), Mahape, Navi Mumbai, since 8th July 2003 till January 2004.

Worked as a Residential Engineer of KBS Computers, in Securities & Exchange Board of India (**SEBI**), Nariman Point, Mumbai since September – 2003 till January – 2004 where I was responsible to take care of all the PCs of KBS brand. Along with that I was also handling Win2K based servers like Domain controller, Trend Micro Antivirus server & the rest network for smooth operation.

Successfully handled the installation of KBS brand PCs in Chaitanya Bharti Institute of Technology (**CBIT**), Hyderabad.

Successfully handled the installation of KBS brand PCs in Yashwantrao Chavan Academy Of Development Administration. (**YASHADA**), Pune.

- Worked as a **Hardware & Networking Faculty** in **Solution World**, Authorized **W I P R O** e-Peripheral training Center, Vashi, Navi Mumbai since September 2002 till 30th June 2003.

As a Hardware Faculty my primary goal is to make the students aware of computer, teach them about computer technology & how to assemble, maintain & troubleshoot hardware related problems in computers. Moving ahead I also teach them how to work on operating systems such as DOS, Windows 9x & RedHat Linux 7.x In the Networking part, the students get the knowledge of Basic concepts of Networking such as types of networks, Network topologies, how to create P2P & Client / Server network & many more...

- Worked as a **H/W & N/W Engineer** in Dronagiri NetCom, Uran, Navi Mumbai, since March 2001 till June 2002 during this time I were also working as **A Web Designer**, developing a site <http://www.shreepantdarshan.org>
- Worked as a **Chief Faculty** with the GuideLine Tutorials since June 1998 till February 2001.
- One month **training** in Saptarshi Electronics, Panvel, Navi Mumbai.

During the training period, I was engaged in testing the various electronics components & soldering them on the PCB according to given circuit.
